Competition Procedures:

Arrival

- Athletes should arrive at Jack Simpson Track about 1 hour prior to the start of their event.

Awareness and Safety

- The facility is a very busy area during a competition, so athletes and spectators must be very careful when crossing the track surface.

Events

- We encourage all participants to do the 60m and the 4x200m relay. Parents are welcome to enter their child in the other events, if they feel their child is prepared for the event.

Procedure

- When athletes arrive they will need to confirm their entry at the Clerk’s Table (West end of track) no later than 20 minutes before their event. They then need to be at the start line 10 minutes before their event.

Relays

- Coaches will attempt to form teams with all Dino Youth Athletes who indicated they would like to run relay.

Warm-up

- About 45 minutes before their event, athletes should start a warm-up to be ready for the event. Coaches will explain what is involved in a proper warm-up and will lead the group through it.
