New Club Information – Updated December 2021

Re: Bingo's Information

Dear Member's,

When a group joins our Association, they are considered a "Probationary Member". Upon successfully completing six (6) bingo events and demonstrating to the satisfaction of the Full Membership, a capacity and willingness to be fully involved in the activities of the Association. A resolution for acceptance as a "Probationary Member" to be a "Full Member" may only be made and voted on by the Full Members.

Each bingo costs \$200, \$100 goes to the Gaming side and \$100 goes to the non-gaming side and is considered your EQUITY money. For example, if you are given 6 bingos per year it would cost your club a One-time fee of \$1200.00 which would be paid prior to your first bingo. This money has to come from NON-gaming funds and basically guarantees you 6 events every year. In the future if your club wants more bingos on a permanent basis, they would pay \$200.00 for every additional bingo as well, as long as we have extras to give out. Once you pay for your bingos, we do our best to ensure that you get that number of events each year. We use this money as our operational cash flow on both sides.

When your club leaves the Association, if possible, all equity monies will be returned to you after the year end audit is completed and approved by the Association.

Our bingo pool is shared equally, so it does not matter what event you get in terms of how much money your club will make. It will make a difference as to how many volunteers you will need to provide. Our events average about \$1500 to \$1800 per event, all pools are distributed monthly. The pool money is deposited directly into your bingo account around the 3rd week of each month. You will need to provide us with a void cheque so that we can set your account up with direct deposit.

We have a concession available here for your volunteers if they wish to use it. Some groups run a tab for their members then write a cheque at the end of the event from your bingo account or you are welcome to e transfer the money to us the next day. If your club does not wish to pay for their members to eat here it is up to the volunteer to pay their own tab.

AGLC has set a limit that you can allow your volunteers to use. This changes from time to time so check with the Bingo Manager or Bingo Advisor when you come in.

We have four (4) General Meetings per year, each club is expected to have a representative at the meeting or be subjected to a \$100.00 fine. All new groups are on probation for the first year.

If you have any questions, please free to call me anytime.

Sincerely

Donna Miller
Manager
