VBINGO Information

VBingo on Thursday and Sunday Late Nights. Only 3 Volunteers will be required.

On Saturday Evening we will be offering VBingo in hall and for at home Players at the same time, we call this our "Hybrid Bingo". This event will require 9 volunteers at least to start with because there will be Players in the hall, we will be selling Ball Tickets and Special Game cards. The 6-4-Baseball Games and the Bonanza Game will be played when the VBingo program is done for the in-hall Players.

As of November 15, 2021, we now have to check that our customers have their "QR" code available. Rapid tests will be accepted as long as it is within 72 hours from a private lab. Our VBingo Cashier will be showing a volunteer what to do because we need someone at the door prior to the start of the first game.

We will require additional Volunteers for Playoffs and Specials, but you will be advised in advanced.

- This is a cash-based business so you will be handling cash
- Gloves will be provided for those who wish to wear them
- Disposable Face Masks will be provided but we encourage you to bring your own
- Hand Sanitizer is available throughout the hall
- If there is a special, we may require additional volunteers
- Volunteers will be expected to sanitize all tabletop electronics at the start of each event.
- All special games will remain on sale on the island and cashed out when the Caller announces they are off sale
- Verifiers will be selling Special Game cards on the floor as well as verifying.
- When the Ball Sellers come in, they will have extra duties, the Chairperson will advise.
